All residents are encouraged to attend this meeting to discuss the future of Memorial Hall.

BOROUGH PICNIC

The Borough Picnic, sponsored by The Stockertown Youth Association will be held at Newhart Park on Saturday, August 8th, from 1:00 P.M.

In case of inclement weather, the picnic will be held at the Stockertown Rod and Gun Club on Lefevre Road. Hot dogs, barbeque, and beverages will be provided. You're invited to bring a covered dish and/or item for the cake walk. Come enjoy a day of fun and fellowship.

YARD SALE

The Borough-wide Yard Sale will be held on Saturday and Sunday, August 16th & 17th.

MEMORIAL HALL UPDATE

A second evaluation was done in June, by Alfero Contractors of Bethlehem. The purpose was to obtain a second non bias evaluation of the building inside and out for structural integrity, asbestos, ADA compliance, electrical, HVAC, plumbing, and code related compliances. This report revealed more areas of concern and the estimated repair/replace costs were upwards of Five Hundred Thousand Dollars. Because this building was a popular eatery and social gathering place in it's day, there is a degree of nostalgia present in the discussions of its possible future. In an effort to in-

clude and listen to all the Borough residents, whether they were involved directly or whether they know nothing of its past, we have scheduled a special meeting Thursday, July 23rd at 7:00 PM. We will review both evaluations and the dollar amounts associated with recommended improvements. We will entertain discussions for possible uses, funding and return on investment potential, as well as other options. Ultimately, without a benefactor, or a grant, the bulk of funding will be shouldered by you. Therefore it is in your best interest to attend.

YOUR INPUT IS IMPORTANT

There's no time like the present to attend a few Council sessions-every 1st and 3rd Monday at 7:30 PM. Get to know the people who make decisions on your behalf. Learn about the issues before Council. **Hearing your neighbor's version isn't always the whole story.** These are some of the issues currently before Council: A bid package for trash removal, a bid pack-

age for building erection, awarding a bid for roof repair, debating an ordinance about abandon vehicles, a Pedestrian Accessibility and Bicycle Route Plan, traffic calming efforts, and retaining sidewalks over Route 33. There are on going issues with vandalism in the park, Rails to Trails and Memorial Hall. **Your input is important.**
